IGNITING THE SPARK

THE GARDEN ROOM.

Devi Ratn, Jaipur

And upon the meshed roof so woven with ancient tree roots came a light filtered by the bouquet of foliage above: softened, verdant and freshly aromatic.

An interesting use of up lighting to create shadows and design highlighting the arch and guiding the way.

Baradari

City palace, Jaipur

Taj hotels

Igniting the world anew with such brilliance, the sun rose with casual elegance. Each day it shone and the world shone back, joyful to reflect those warm rays.

Beating the blues with the vibrant yellow lighting all around the luxury property.
